Substance of interview: Applicant appreciates the time and courtesy extended by Supervisory Patent Examiner Jason Chan and Examiner Joel Fosselman during an Examiner Interview on July 22, 2010. During the Interview, Applicant's representatives discussed Applicant's position regarding how the claims are allowable under 35 U.S.C. § 112. For example, under 35 U.S.C. § 112, first paragraph, the pending claims are supported by at least page 2, line 10-page 3, line 11; page 4, line 21-page 5, line 19; page 7, line 16-page 8, line 2; page 10, line 19-page 14, line 7; and the originally filed claims of the specification. Applicant's representatives also respectfully disagreed with the Office's positions as reflected in the Interview Summary of July 29, 2010. For example, Applicant respectfully disagrees with the statement that although the specification discloses a flash recording application, "it appears that

the flash recording application is for purchasing multiple videos.” *See* Interview Summary, Continuation Sheet. No agreement was reached concerning the patentability of the claims.

Respectfully submitted,
